

Get Started on our Patient App

OneFifteen Technology

At OneFifteen, we do more than visits. We partner with Verily to make technology that works for you. Our tools help us connect with you wherever you are!

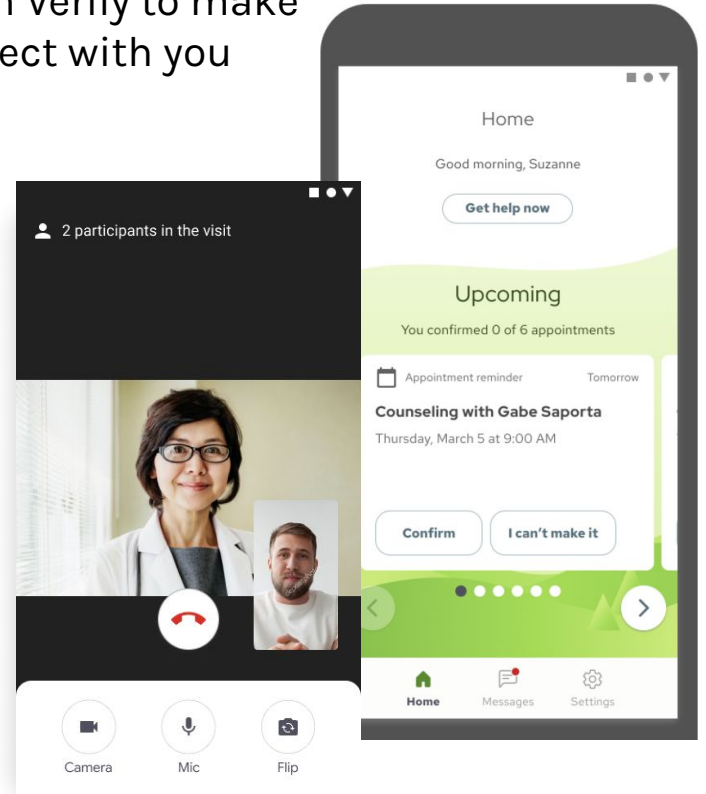

Take your next appointment from your mobile device.

Receive SMS text messages on your mobile phone.

Download the OneFifteen Patient App (Android only).

OneFifteen Patient App*

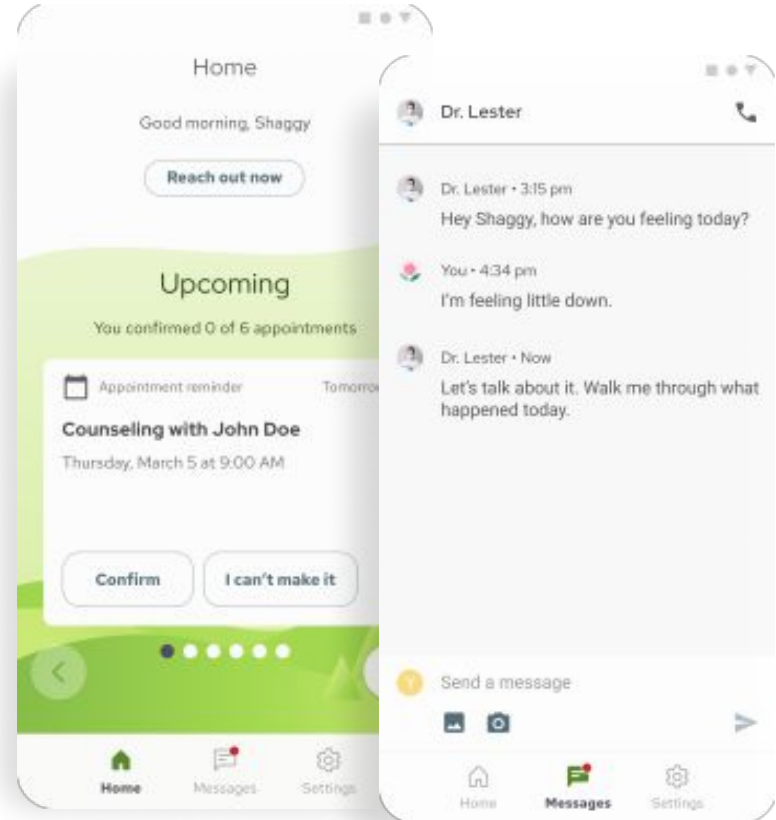

Manage your appointment, stay connected with your provider, and get help as you need it.

Be one of the first to try out the OneFifteen patient app!

Eligibility Requirements:

- 18 years and older
- In treatment for at least 1 month
- Have worked with a OneFifteen care coordinator or peer support specialist
- Have an Android smartphone

** The OneFifteen Patient App is not intended to provide treatment decisions nor is it to be used as a substitute for professional healthcare advice.*

Quick Start Guide

01 Download the App

1. Go to **OneFifteen.org/App** or the Android Play Store and search for “**OneFifteen**”.
2. Press the **Install** button!

02 Sign up!

1. **Enter your phone number** to request a verification code.
2. **Enter that verification code** from texts (Resend if you did not receive it).
3. **Enter your birthdate** for us to verify you as a OneFifteen patient.
4. **Set up a four digit passcode** you will remember!
5. You can **log in** with this every time.
6. **Accept the terms and conditions.**
7. **You're all set!**

Install

Two screenshots of the OneFifteen Patient App sign-up process. The left screenshot shows a phone number entry screen with a green 'Request code' button. The right screenshot shows a birthdate selection screen with a green 'Complete verification' button. A numeric keypad is visible at the bottom of the left screenshot.

Please enter your phone number to get a verification code.

555-555-5555

Request code

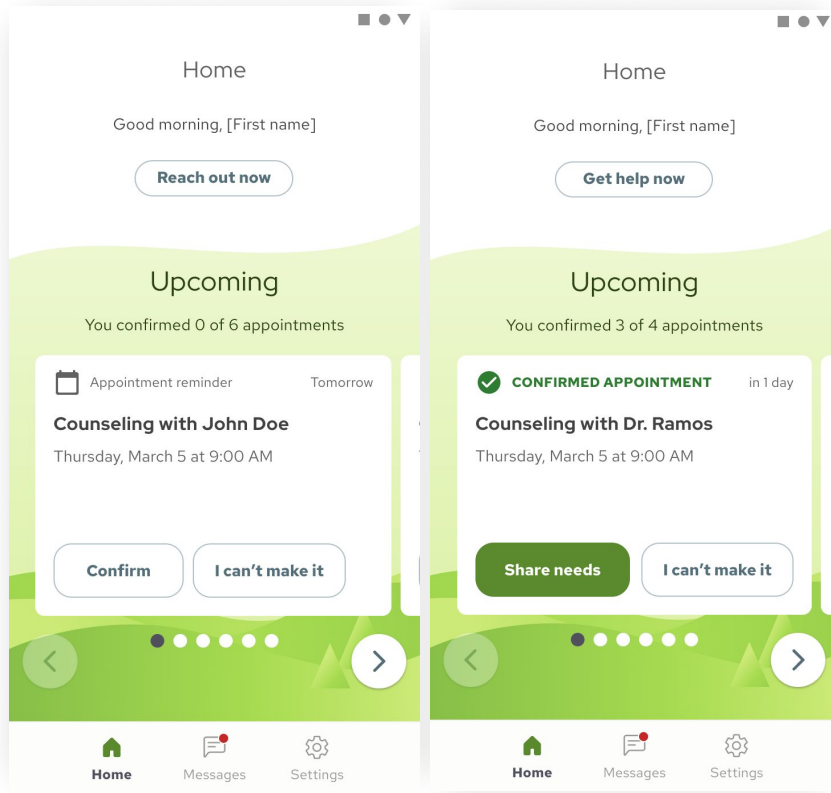

Enter your birthdate to complete the verification process.

Your birthdate:

June	31	1989
July	01	1990
August	02	1991

Complete verification

Quick Start Guide

03 Check out your upcoming appointments

From the home page on your app:

1. Look through your upcoming appointments
2. Confirm your appointment, if you can make it!
3. If you have confirmed your appointment, we'll ask you to tell us what you want to talk about in the session
4. Press I can't make it if that time no longer works for you. We'll ask a few questions to make sure we can reschedule you for the correct time!
5. You're all set!

1. OPEN YOUR CAMERA
2. SCAN HERE TO DOWNLOAD!
